August 10-18, 2013 ~ Roundtrip Calgary
With Norma King

Please join Norma & George King on a tour of the pristine wilderness of several national parks in the Rockies on both sides of the Canada/U.S. border. Driving on the Going-to-the-Sun Road in Glacier National Park and a visit to famous Lake Louise are two top highlights of this escorted vacation.

Day 1 ~ Arrive in Calgary
Welcome to Calgary! At 6:00pm, meet your traveling companions for a welcome drink. Your Globus Tour Director will prepare you for your upcoming adventure.

Day 2 ~ Calgary–Head-Smashed-In Buffalo Jump–Waterton Lakes National Park
Before departing Calgary, enjoy an orientation tour of the city’s highlights. Travel south along the Macleod Trail. Just outside the town of Fort Macleod, visit Head-Smashed-In Buffalo Jump, a 5,000 year old buffalo hunting ground designated a UNESCO World Heritage Site. Then, on to scenic Waterton Lakes National Park, with a photo stop at Cameron Falls. (Breakfast)

Day 3 ~ Waterton Lakes National Park–Glacier National Park–Going-to-the-Sun Road–Whitefish
Enter Montana through Waterton-Glacier International Peace Park and behold the awesome snowcapped peaks of Glacier National Park. You’ll board the famous vintage red Jammer Buses to take you along one of North America’s most spectacular highways: Going-to-the-Sun Road. After crossing 6,664-foot-high Logan Pass, enter an alpine wonderland of jagged mountain peaks, deep green forests, pristine lakes, and meadows. Before arriving at your resort, enjoy a made-from-scratch piece of Huckleberry Pie or Huckleberry ice cream - a delicious local favorite to end your day. (Breakfast, Dinner)
Day 4 ~ Whitefish–Fort Steele–Radium Hot Springs–Kootenay National Park–Banff
Re-enter Canada today, with two stops in British Columbia before crossing into Alberta. First, visit the restored town of Fort Steele, where fortunes were made during the Kootenay Gold Rush. Then stop at Radium Hot Springs, a famous health spa. Drive through the steep red cliffs of Sinclair Canyon and Kootenay National Park before entering Banff National Park, the heart of the Canadian Rockies. (Breakfast)

This morning, take a scenic ride on the Banff Gondola to the top of Sulphur Mountain. Enjoy the spectacular views of the valley below as you savor breakfast. Additional morning sightseeing includes stops at Bow Falls and the hoodoos. The balance of the day is at leisure or join one of the optional helicopter flightseeing trips offering unsurpassed Rockies views. This evening, a fun-filled musical about Canada awaits you at the optional dinner theater, “Oh Canada Eh?” (Breakfast)

Day 6 ~ Banff–Columbia Icefield–Jasper
Follow the breathtaking Icefields Parkway today and head for Jasper National Park. Scale Bow Pass, with splendid views of Peyto Lake. Then, climb to Sunwapta Pass to savor stunning vistas of alpine meadows, waterfalls, and glacier masses. Next is the highlight of the day: stop at the 1,000-foot-thick Columbia Icefield for a memorable ride aboard an Ice Explorer. See Athabasca Falls before reaching Jasper. There is still time this afternoon for an optional float trip down the historic Athabasca River. (Breakfast)
