BETWEEN AIRPORT AND SHIP

Experience travel that is far more personal on a luxury cruise with Silversea. Easily navigating through narrow waterways, hugging the coastline, our intimate ships can get you closer to the places you visit. They can transit the Kiel Canal into the Baltic while others must take the long way around. It is this flexibility and sense of personal freedom that is so treasured by Silversea guests.

This offer applies to 49 Northern European 2019 cruises to choose from and here's a few to start...
