Vacation Overview

Experience the beautiful scenery, rich history, and vibrant cultures of the South on this southern U.S. tour that begins and ends in Atlanta with overnights also in Charleston and Savannah. Also enjoy time in St. Simons Island, with its unspoiled beauty and beaches, laid-back lifestyle, and charming communities.

History comes to life during your visits to Atlanta's Martin Luther King Jr. National Historic Site, where you'll learn more about the man and his legacy; Charleston's Boone Hall Plantation & Gardens, America's most photographed plantation and where you'll tour the mansion, see the slave cabins, and visit the beautiful gardens; and Savannah's American Prohibition Museum, bringing the roaring 20s to life. In Charleston, Globus has included a special Gullah luncheon, where you'll learn about the rich history and culture of the Gullah people, the descendants of slaves who lived in the lowcountry.

Enjoy a horse-drawn carriage ride through the narrow, oak-lined streets in picturesque Beaufort and sightseeing trolley tours in both Savannah and Jekyll Island. Of course, no southern U.S. tour would be complete without sampling the flavors of the South. In Atlanta, Globus has included dinner at Pittypat's Porch, where you'll be immersed in southern atmosphere as you savor traditional southern cuisine. Globus has also included another special treat...a festive luncheon at the Jekyll Island Club, once a retreat for some of the world's wealthiest families, such as the Vanderbilt, Rockefeller, and Morgan families.

From the traditional southern food to the picturesque scenery and rich historic opportunities, this southern tour is a vacation of a lifetime!

[Lf] - Globus has created special experiences that will bring you behind the scenes, spotlight the unique stories of your journey, and bring to life the local flavor of your destination. Just look for the [Lf] to see what we've included for you.
