

Whales and dolphins alongside the boat are just the beginning. Daytime snorkeling means warm water, coral gardens, and neon-colored fish. A night snorkel with Giant Pacific Manta rays is an experience in Hawaii's marine sanctuary remembered long after you've taken off your flippers. Dolphin, whale shark, and green sea turtle sightings are possible all year round. By paddle board, kayak, or snorkel, the ocean is your playground. You've never lived Aloha quite like this.
