ON SELECT 2022 ALASKA SAILINGS

Now is the perfect time to book your clients on one of Holland America Line's award-winning Alaska itineraries! This summer, they can bring the whole family on an exciting journey to the Great Land with the cruise line that's been calling on its shores for the last 75 years.

Holland America Line has been visiting the 49th state since it was still a U.S. territory. We offer more cruises to Glacier Bay National Park than any other cruise line. And now, **Kids Cruise Free** on select 2022 sailings.*

Between the Last Frontier's jaw-dropping natural wonders and our spacious ships' abundance of onboard activities, a voyage to Alaska with Holland America Line is an experience unlike any other. In just a short time, your clients could be:

- Proudly displaying their child's Junior Ranger Badge, available through our 360° **Alaska Up Close**[™] program featuring onboard Glacier Bay National Park Rangers
- Dog-sledding, whale watching or panning for gold on one of our family-friendly **shore excursions**
- Sharing in their children's excitement as they help catch a salmon or reel in a halibut as part of our **Savor My Catch** experience
