

Norwegian Cruise Lines' Studios are Perfectly Designed and Priced for Solo Travelers

Running up to 100 square feet, the studio staterooms are an industry first, giving solo cruisers the most affordable and stylish way to cruise.

As a Studio guest, you will have exclusive key card access to the Studio Complex and Lounge. This shared private area is where you can stretch out, have a drink, order room service, watch the big-screen TV and meet your neighbors.

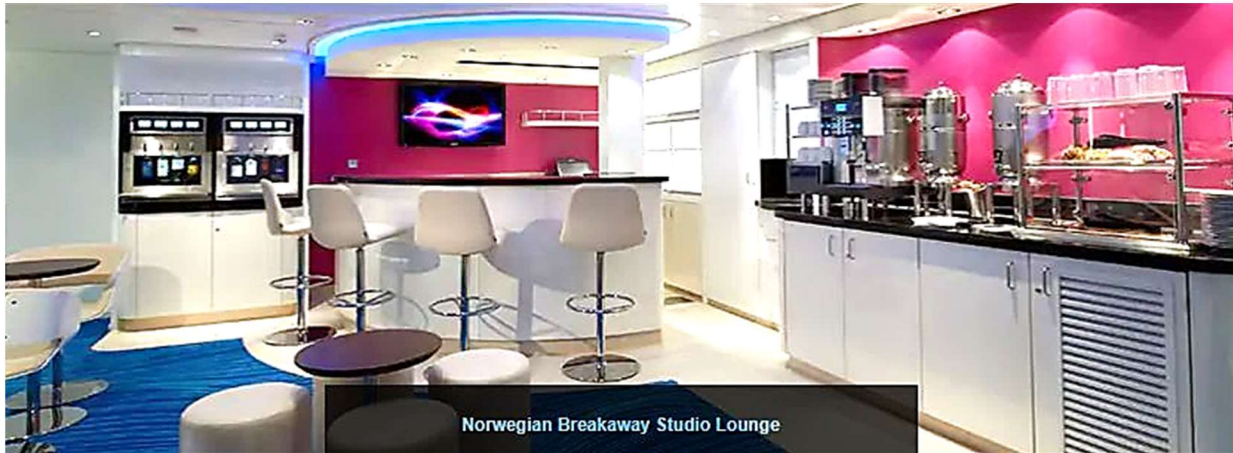

Norwegian Escape Studio Lounge

Exclusive Amenities

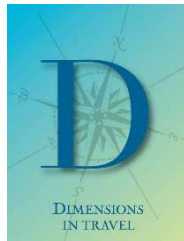

- Private keycard access to a Studio stateroom and the Studio Lounge—a private lounge shared only by Studio guests
- Complimentary coffee, espresso and snacks available throughout the day in the Studio Lounge (not available on Pride of America)
- TV, safe and hair dryer

Studios are available on:

Norwegian Encore, Norwegian Escape, Norwegian Bliss, Norwegian Breakaway, Norwegian Getaway, Norwegian Epic, and Pride of America
