

2023-2024 south america & antarctica

Set sail on on Sapphire Princess® to explore some of the world’s most dramatically diverse landscapes, and take in the breathtaking beauty of Antarctica. Connect to what matters most on a Princess® cruise, and discover why we received the Women’s Choice Award for “Best cruise line in South America.”

Immersive experiences: On board you’ll enjoy cultural immersion through regional entertainment, like Argentine folkloric performances and a Carnival festival, plus locally inspired cuisine and wine. On our award-winning shore excursions you’ll visit the best of every port including UNESCO World Heritage Sites like the Historic Centre of Lima, and the Lines and Geoglyphs of Nasca and Palpa in Peru.

Spectacular views of the frozen continent: On our 16-day Antarctica & Cape Horn itinerary, you’ll enjoy three days of scenic cruising through the islands that surround the Antarctic Peninsula with views of glacial landscapes, snow-capped mountains and wildlife. Now is the time to see why Condé Nast Traveler named Antarctica #1 on their list of “The Best Places to Travel.”

Cruisetour adventures: Princess combines a cruise with an escorted land tour so you can explore even more of South America’s top attractions. You’ll have the opportunity to travel into the jungle to marvel at Iguazú Falls, a UNESCO World Heritage Site. Or, you can choose to venture into the Andes to the ancient Incan compound, Machu Picchu, another UNESCO World Heritage Site, plus tour the historic city of Cusco.

Princess MedallionClass® Experience Enjoy expedited boarding, drinks, snacks and more delivered on demand, keyless stateroom entry, turn-by-turn way finding and so much more on board Sapphire Princess®. Stream your favorite shows, post photos and video chat with MedallionNet™, the best Wi-Fi at sea. Do more of what you love on a MedallionClass® vacation™, the easiest way to cruise.

more ashore

See the sights during the day and experience the nightlife after dark with overnight calls. More Ashore ports are in blue below.
